

Donation Letter

This is to certify that this shipment donated by Global Medical Aid (GMA) in collaboration with Access Health Care (AHC) is a free gift without any commercial value and that no foreign exchange is involved.

Background: During the site visit of Access Health Care to Salle Bajjar District Hospital in Musikot, the Local District Office of Rukum, Nepal on the 29th of October 2014, it was found in a needs-assessment interview with Dr. Man Bahadur K.C., that the equipment of preference to meet the most urgent needs of the hospital were bedside monitors. It is our hope that Local District Officer Mr. Bharat Sharma and the staff of the hospital will accept this donation as a token of our continued will to aid the health care system in Rukum.
