**LETTER OF APPRECIATION:  
SHIPPMENT OF HOSPITAL BEDS TO GHANA**

On behalf of the Government and people of Ghana, the Rebecca Foundation, and in my own name as the Ambassador of Ghana in Denmark, I wish to, once again, express our heartfelt appreciation to you, Mr. Hans Frederik Dydensborg, the Management and Staff of the Global Medical Aid for facilitating the donation of hospital beds, mattresses, and other useful medical equipment.

2. But for the support of the Foundation, Ghana would have missed out on such medical equipment, the distribution of which we believe would go a long way to augment the medical needs of the country, particularly in deprived communities to the benefit of women and children especially.

3. The Embassy will collaborate with the recipient organization to ensure the deployment and utilization of the donated items.

4. We look forward to further collaborations with you for the benefit of humanity.

5. Please accept the assurances of our highest consideration.

**H.E. AMERLEY OLLENNU AWUA-ASAMOA (MRS.)  
AMBASSADOR**
