Mr. HANS Frederik DYSENBORG

President of GLOBAL MEDICAL AID.  
DANEMARK

Objet : Acknowledgments.

Mr. President,

We hereby express our deep gratitude following the donations of medical materials and equipment provided by your medical structure to our NGO ADN,

The political and administrative authorities and the international organization ADN are grateful to GLOBAL MEDICAL AID for strengthening the operational capacities of the technical platform of the Ziginchor Regional Hospital.

The Director of the Regional hospital and all his staff express their deep gratitude to the donor organization (GMA).

Indeed, strengthening the technical platform and medical instruments in the Region will undoubtedly promote the well-being of populations Ziginchor and patients from neighboring countries such as Gambia, Guinee Bissau and Republic of Guinea, through access to better health care at reduced costs. This operation turns out to be beneficial.

Please accept, Mr. President, the expression of our distinguished consideration.
